

Woodside Middle School

Read·A·Thon

Fundraiser

Why we are raising money:

We are pleased to announce Woodside's 6th annual Read-a-thon fundraiser! This year our entire student body and staff will be reading and discussing "The Breadwinner", by Deborah Ellis, during Advisory class. Our goal is to read and discuss the book together for at least 8 reading sessions.

Our Read-a-thon event is designed to encourage our students to read as well as raise funds for our school. Our Read-a-thon provides funding for certain student programs that are not covered by the school budget or Activity Fees, mainly our STRONG Buck Store, financial aid, counseling groups, student awards, academic, athletic & music competition entry fees... and much more!

The event will end on December 1st. Our number one goal is to encourage our students to read. Our secondary goal is to raise at least \$25 per student to support ongoing student programs at Woodside Middle School.

Please ask your student to tell you about our book "The Breadwinner".

Thank you for your support in reaching our goals!

See our Woodside website for more information!

Donations may be made online on our Woodside website or:

I(we) want to make a contribution to Woodside Middle School to support the Student Activities of Woodside in honor of student _____ . (Advisory Teacher = _____)

I(we) donate a total amount of \$_____ in the form of cash _____ or with check number _____.

Name of Donor: _____
