

PTC New Officers Meeting Minutes
Wednesday, August 23, 2017 at 8:00AM
Woodside Middle School, Rm. 128

Attending were Principal Jerry Schillinger, Chris Perez, Anna Ross, Cindy Otten, and Beth Price

Introductions were made and documents shared: Article of Association of the Woodside Middle School Parent Teacher Club (PTC), a 2016-2017 Year End Review of financials, a proposed budget for 2017-2018, and School Year Planning agenda.

-New PTC officers were elected, President: Anna Ross, Vice President: Chris Perez, secretary: Beth Price, and treasurer: Cindy Otten. Mr. Schillinger expressed his gratitude for the PTC and all that it has done for WMS over the years under changing leadership. There will be no designated teacher representatives, but any and all teachers are welcome to participate.

-2016-2017 Budget was reviewed. Last year's ending balance leaves the PTC below required reserve of \$12,400 (not including registration donations). Chris is preparing our records for a CPA to audit. Last year's School Grant to the WMS Project Based Learning lab was the biggest expense.

Officers shifted some funds from surplus areas of Extend and 6th grade carnival (by adding a profitable slushee alternative in 2018 of Kona Ice) to balance the budget. Mr. Schillinger will bring the PTC some ideas for projects that will benefit WMS and that inspire families to participate in our various fundraising efforts already in place. Cindy will promote more parent participation in Kroger cards by various means including facebook, WMS web page, and possibly flyers.
