Dear Woodside Parent/Guardian,

Woodside students are invited to attend an after school-tutoring program led by Homestead’s National Honor Society (NHS) and supervised by WMS staff, starting October 24. This free service will take place at Woodside in the Student Services Room (across from the Choir room) on the following days/times:

**Tuesdays** 3:00-3:45

**Wednesdays** 3:00-3:45

This service is voluntary and students are not required to participate. Your child may attend one day and not the other. We will not be taking attendance during these sessions, other than to track how many students are attending. It is up to the student to remember to attend the tutoring session.

If you would like your child to participate, please sign and return this form to the Woodside office prior to the next tutoring session. Students can go home and then return for the 3:00 tutoring or they can attend the after school study session (usually in the cafeteria) and then report to **Student Services (room 301)** immediately after. Students will then be picked up **promptly at the front doors at 3:45**. We will not have the supervision for students to be picked up later than 3:45, so it is important for rides to be waiting for the student at 3:45. *Please note that if you are unable to pick your child up at the end time, he/she will not be able to participate.* Any student who becomes a behavior problem or disruption will not be allowed to participate. A communication home will occur if this becomes an issue.

If you would like your child to participate in this opportunity and are able to provide transportation home, please complete and return to the Woodside Guidance office.

I would like my child, \_\_\_\_\_ (Grade \_\_\_\_\_ ), to participate in the Woodside after-school tutoring program at Woodside Middle school. I understand that I need to pick my child up promptly at the end time of 3:45.

\_\_\_\_\_

If your child will be walking home from Woodside, please initial here. \_\_\_\_\_

**Please circle the areas of study that you would like your child to work on during SLA tutoring:**

Math: Math 6, Math 7, Pre-Algebra, Algebra

Social Studies

Language Arts

Other: \_\_\_\_\_
