Dear Woodside Parent/Guardian,

Woodside student are invited to attend an after school tutoring program directed by the Student Learning Alliance (SLA) and offered as a collaborative effort between Woodside and Homestead. The SLA is a group of Homestead students who have agreed to provide free tutoring to middle school students. This free service will take place at **Woodside on Tuesdays and Wednesdays from 3:00-3:45**. A Woodside staff member will be present to assist with supervision, but the tutoring will be provided by the SLA. We will begin offering this program **Tuesday, September 19, 2017**.

This service is completely voluntary and students are not required to participate. Your child may attend one day and not the other. We will not be taking attendance during these sessions.

If you would like your student to participate, please sign and return this form to Woodside office prior to the next tutoring session. The students who are participating in this program will report to the cafeteria for after school study session until the 3:00 start time. They will then be dismissed to Student Services (room 301) for tutoring. Students will then be picked up promptly at the front doors at 3:45. Please note that if you are unable to pick your child up at the end time, he/she will not be able to participate.

If you would like your child to participate in this opportunity and are able to provide transportation home, please complete and return to the Woodside Guidance office.
