

## Homestead High School Return to Play Woodside / Summit Return to Play

**Prior to participation:** All must have physical on file with the additional 2020-2021 Health Update Questionnaire & Consent & Release Certificate, Concussion/Sudden Cardiac Arrest (see attached example). Coaches will be responsible to check the spreadsheet (Google Sheet) for those currently in compliance and will have to collect all the paperwork from those who are not. Return the forms to the Summit or Woodside office. Please return the forms in alphabetical order.

Athletes, Coaches & Trainers who are experiencing symptoms are excluded from practice/events and should remain at home. It is strongly encouraged that individuals 65 years of age and older or those in high-risk categories do not attend during these phases.

- Symptoms: Fever, cough, shortness of breath, trouble breathing, persistent pain or pressure in the chest, fatigue, body aches, headache, new loss of taste or smell, sore throat, congestion or runny nose, nausea or vomiting, diarrhea, new confusion or not able to be woken, bluish lips or face.

Athletes, coaches & trainers who arrive ill, display symptoms of COVID-19 or answer “yes” to the screening questions will be sent home. Communication with parents, school administration and school nurse will be done immediately. FERPA laws always apply. You cannot share illness or injury with others.

- Athletes, coaches & trainers who are sent home will need to be cleared by a family physician, in writing, before being allowed to return.

Athletes & coaches will be trained by OPS Trainers on how to socially distance appropriately, how to use the cleaners/disinfectants and how to wash hands appropriately. In addition, athletes and coaches will be trained on what touchpoints are and how they can possibly transmit the virus. This will be done at all first day meetings. If this training is not completed by OPS Trainers, it is to be done by a Woodside or Summit coach.

## **Phase 1 - July 6 - July 19**

No formal competition allowed during the acclamation period.

No Non-essential personnel allowed.

Practical social distance as much as possible.

### **Preparation & Cleaning:**

- Post signs of symptoms in restrooms and classrooms.
- Cleaning protocol spelled out to custodians/coaches/parents/athletes
- Athletes and coaches are expected to wipe down all equipment used.
- Clothes must be washed at home
- Multiple hand sanitizer stations available.
- Cleaning bottles/supplies provided at each weight station
- Balls/equipment sanitized before/after use or used every other day
- Restrooms/Touchpoints/Surfaces will be disinfected by the SMS/WMS Custodial staff.
